2019 Jobs:

Bridger Veterinary Specialists (August – December 2019)

A 4-month project creating 5 educational videos and a dozen content videos for both their website and social media.

The Balancing Act (December 2019) Denver, Co

Shoot of a one-half hour show segment for the Balancing Act on the Lifestyle network featuring a Denver based company called Innovage.

Renegade Wyoming (July and October 2019)

Two months shoot for a high-end luxury resort with 200 miles of private trout streams, a private airfield and private heli-skiing in the heart of the Wyoming mountains south of Jackson Hole. Multi-camera crew and still photographer.

Designing Spaces (August 2019)

Shot an episode of Designing Spaces for the Lifestyle network and organized and ran the crew along with being one of two cameramen and acting as the drone pilot.

BBC Science (August 2019)

Three days of shooting as the drone pilot on two dinosaur excavation sites in Cowley, Wyoming and Bowman, North Dakota.

Russ Lyon's Sotheby's International (July 2019)

Shot and edited two complete productions for two \$5 million homes in Tucson, Arizona.

This is a just a small sampling of some of the work we completed in 2019.

Sincerely,

Rusty Squire, President, DP
