EXPERIENCE

Linn Canyon Ranch, Victor Idaho— *Trail guide and Wrangler*

2015 - PRESENT

Seasonal job throughout the summer where I wrangle horses and guide trail rides. Some special duties are:

- Frequently examined horses to identify issues such as injuries, illnesses and diseases.
- Inspected, maintained and repaired equipment and structures to keep the ranch operating smoothly.
- Shifted animals between grazing areas to obtain the maximum benefit for the land and offer consistent access to the food supply.
- Bathed horses and applied disinfectants and insecticides to minimize pests and illnesses.
- Also many other projects are included, landscaping, catering, cleaning and other manual labor projects.

Trixter Entertainment, Tetonia Idaho — *Trick rider*

2015 - present

- Arrange a routine demonstrating the order of every trick I will perform.
- Constructing a profile and tricks to be performed, that will be read during my performance.
- Perform tricks and stunts in a program that I had scheduled in a rodeo or other event.
- Care for my horses and myself to maintain strong and healthy workouts, stretching and diet routines.

Cinder Lakes Ranch, Valley View TX — *Equine handler*

November 2018 - May 2019

- Moved feed bags, containers and stocked pallets and medications.
- Arrive early in the morning to handle and collect stallions for the breeding program.
- Handled and managed mares that were on the schedule sheets.
- Halter breaking/ training of foals, weanlings and yearling horses.
- Managed medications and feed schedules for broodmares and stallions.
- Handled mares with foals
- Handled and managed horses with an exercise schedule.

EDUCATION

Teton High, Driggs ID — High school *Diploma*

Graduate of 2015

SKILLS

- Feed livestock
- Evaluate animal health
- Treat medical conditions
- Monitor supplies
