RELEVANT EXPERIENCE

Owner of Haylie Sunshine LLC

- Create film and branding/marketing materials for clients.

Director of Media, 2020-2021 (Franke Global Leadership Initiative)

- Curated social media accounts for the Franke Global Leadership Initiative, promoted events and opportunities for students, and created presentations for the program.

Promotional Producer, 2020 (Independent Contractor)

- Generated ideas and produced a promotional video for Kevin S. Giles' novel prior to its release.

University Orientation Materials Producer, 2020 (Independent Contractor)

- Communicated through video the character of the University of Montana, and the experience that incoming students can expect.

Center for Structural and Functional Neuroscience Fellow, 2019 (CSFN, University of Montana)

- Investigated the importance of research in the field of traumatic brain injuries, single-handedly producing a documentary called "Traumatic Brain Injury Research: Who Needs It?," in which I interviewed researchers, practitioners, and survivors. Won second place at the KECK Foundation Research Fellows Presentation.

UM Productions Staff, 2017-2018 (University of Montana)

- Supported visiting productions in audience control, ticket sales, cast needs, and post-show clean-up.

Wardrobe Crew, 2018 (UM Dance)

- Oversaw the maintenance of costumes on a week-long production. Organized and dressed the performers backstage and did laundry post-show each night, specialized for each piece, and laid each piece in order for next days' show.
