

Mike Suarez Sound

707 North Wallace Ave. Bozeman, Montana
215.908.4985 suareztm@gmail.com

I have over 10 years experience in production sound recording specializing in documentary, reality, commercial, and fiction. I've worked for companies like HBO, National Geographic, Smithsonian Channel, History Channel, and more.

I pride myself in recording quality sound, even when the conditions are less than ideal.

I have a modern sound kit which includes Sound Devices, Lectrosonics, Zaxcom, and Sennheiser.
