**Over 35 years of experience in the art of theatrical combat, training, coaching and choreography that enhances the story and seamlessly blends in to the narrative.** Works with all parts of production to create fights that are safe, believable and entertaining. Extensive experience with all edged and blunted weapons, including knives, fencing and hand-to-hand combat. Involved in dozens of reality shows, news broadcasts, and motion capture as an expert advisor both in front of and behind the camera. Completed 75+ non-equity plays as both an actor and a fight choreographer. Reels, extensive list of celebrities trained, and professional references can be found on websites listed above.
