PROFILE

I am an experienced and highly ambitious student and filmmaker with a focus on cinematography and the camera department. I have worked on many student and professional sets and have developed the knowledge and skills to elevate whatever projects I work on. I love exercising my creative and communicative skills to solve problems in a team working setting.

SKILLS

- Cinematography
- Directing
- Focus pulling
- Camera Operating
- Editing
- Gaffing
- Photography
- Premiere Pro
- Media Encoder
