## ABOUT ME

1986-2023

I have been with the Industry from the day I got out of Highschool, following the trade of my Father Spencer Moore who was a highly Respected Prop Master. I grew up on the back of a Prop Truck and have been around the business my whole life.

I enjoy the Creativity, fast pace work & every day is never the same. I pride myself on my quality work and experience and professionalism.

I am looking forward to changing my employment from Hollywood to my beautiful new home in Montana to be able to stay & work closer to my family, and my wish is to be part of your team.
